

ReefSys

Aqua One ReefSys is a range of open top marine aquariums, providing a customisable system, giving you ultimate control to establish and grow your personalised underwater oasis.

Constructed using high quality low iron opti-clear glass and a sleek modern cabinet, the Aqua One ReefSys will be the showcase of any home.

Suitable for Marine and Coral

SUITABILITY GUIDE

Features & Benefits:

- High quality low iron opti-clear glass ensures optimum clarity and true colour viewing
- Modular sump design provides flexibility to customise the system with your choice of equipment
- Includes two adjustable baffles, one being movable
- Includes low splash sock silencers
- Overflow lid reduces algae growth inside the overflow box and prevents fish from entering the plumbing area
- Back up emergency drain will prevent the tank from overflowing
- Designed to handle high flow rates
- Rimless and open top setup for easy access
- Quiet plumbing
- Sleek gloss black or white cabinet keeps equipment out of sight
- Easy to set up and maintain
- 1 Year Guarantee

Products to suit this range:

Aqua One ReefSkim Protein Skimmers are designed to easily and effectively remove organic waste from aquarium water. The needle wheel impeller increases the contact area maximising efficiency. Simple, accurate control allows you to adjust the output quickly and easily. The result is cleaner, clearer water and healthier aquarium inhabitants.
